Dear Virginia and Bob:

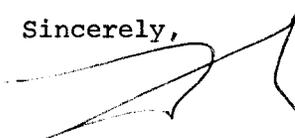

At the meeting of January 8, 1981, Salem Board of Education accepted your gracious donation to provide awards to future Salem High School graduates in the area of instrumental music. It is not often that individuals take the opportunity to do something about the positive effects that public elementary and secondary education has on a student's future.

I would like to personally thank you for setting up the award in the most flexible manner. I believe this type of award will be most gratifying to you as parents, since it will not only sustain the memory of your son, James, but espouse his interest in music and young people.

Enclosed is a copy of the Resolution adopted by Salem Board of Education, and a signed copy of the Terms and Conditions. Copies of this information will be kept on file with the Custodian of School Monies, in the Board of Education Office, and at Salem High School.

If we can be of service to you or your family in any way, please do not hesitate to call on us.

Sincerely,

Frank J. Napoli
Superintendent of Schools
