Mr. and Mrs. Robert V. Patrick,
268 Fenwick Avenue,
Salem, New Jersey,

Dear Bob and Virginia,

The happy situation of Broadway as reported at our recent Fourth Quarterly Conference, must have been a great satisfaction to you, as it was to me. Evidently the District Superintendent was pleased with our work.

This is the outcome of a happy fellowship with wide participation in the varied program. No small part of this is shared by you both. Your enthusiasm, coupled with marked thoroughness in all you undertake in Church, Church School and Organizations, have contributed more than most to the success of our work.

Your personal friendliness, and the countless hours you give me, have been a heart-warming experience. I am more grateful to you, than I can say.

Very sincerely,

Bert.

Robert E. Acheson.
