Dear Bob,

Just a short note to thank you as personally as I can for your help. Look back at the last 2 years at the Club and be proud. You were the single most driving force in keeping us solvent. I know it and you should also.

I am fortunate to have gotten to know you better. You are a hard nose, tough but most compassionate person. I am a better man for having associated with you over these last 2 years.

The club needs you and I'm glad you're staying with them as treasurer.

A good man is hard to find and you are indeed a good man. Thanks for everything,  
Sid
